Hier kom die advertensie teks in en dalk datums van veilings ens. Hier kan ook teks gebruik word vir beskrywings asook GPS koördinate ens. Moenie teks op 'n besige agtergrond plaas nie maar liever op 'n effe kleur agtergrond sodat dit maklik leesbaar is. Gebruik altyd die hoogste resolusie fotos asook logos vir 'n goeie treffende advertensie.

A good title and slogan should be used here

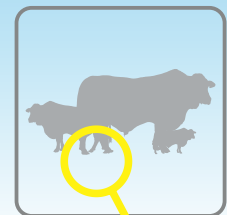

Only use high resolution (300dpi) images for the layout

Use Braford website address here...

Here you use the text for the advert and maybe some dates for cattle sales coming up. You can also use some text here to describe the advert more and also some GPS coordinates. Don't put text on a busy background as this will hinder readability but rather use a single colour background for better visibility. Always use good quality and high resolution images for the advert.

Put some social media icons & references at the bottom...

Use correct Braford logo and colours. No white background.

Use the owners logo and contact details here.
